

First, let me start by thanking each of you for the wonderful opportunities and gifts you bestow upon your communities and non-profit organizations. I am not certain if you have taken the time to really think about the dollars you give back as a member of Michigan Festivals & Events Association. As I was travelling one day – my thoughts became a challenge...”I really need to find out how many dollars our members are giving to charities that most do not know about”...

MFEA will be combining the totals of all MFEA members and present **“THE GIVING ARM.....HUGGING OUR COMMUNITIES”** dollar amount to our Michigan State Governor and our Legislatures. This is a FIRST – so PLEASE provide your information and watch the dollar figures grow. The MFEA website www.michiganfun.com will feature **“THE GIVING ARM”** total amounts on a daily basis as YOUR DOLLARS are added to the MFEA GRAND TOTAL.

Once you have found the dollar amount you gave to charities, please submit that number to MFEA...be sure to let your community know how wonderful you are!!! This is also information you will want to share with your sponsors/partners.
